Our goal is to provide you with an experience that will bring you back year after year. From our Dutch oven cook (who can be bribed), to our friendly guides, you will find everything that you expect.

At Thunder Mountain Elk Ranch you'll be greeted by some diehard hunters that have years of experience hunting big bulls in Idaho.

Shown here is Kevin Reid with the hard working gang of guides after his World Record Kill. (Notice Kevin is the hunter with the Big smile.)

We have lived and hunted elk for over 35 years and know how to have a good time. If you are lucky and bag your trophy bull the first day of your hunt, there are many miles away. You can see the Grand Tetons, float the white waters of the Snake River, or visit Yellowstone Park.

There is always plenty to do at the ranch, from pheasant hunting to fishing and site seeing. just relaxing around the campfire and telling hunting stories is always a plus to making lasting memories.

Our repeat hunters are an amazing part of our experience which speaks for the hospitality and memories of the hunt.

One major advantage of choosing Thunder Mountain Elk Ranch is that you are spared the additional cost and hassle of buying a license and drawing a trophy tag. (Which is never guaranteed?) At thunder Mountain Elk Ranch, you are guaranteed the trophy bull of your choice.

In addition to our old Lodge, we can offer our new Lodge, built in 2005. They are both available to rent for reunions, vacations, or a hideaway retreat year round.

Upon receipt of deposit, the dates you choose to hunt will be booked for you and / or your party. We will not double book hunting parties so your elk hunting experience will be yours alone.
