Premium Big Whitetail Bucks in an ARCHERY ONLY area

Hunt some Premium Nebraska River Bottom big bucks for archers only. No rifle hunter has been on this property for at least 3 years. The area has a large concentration of big whitetails.

It is a Semi-Guided hunt, the outfitter will show you the ranch, and recommend one of 12 premium stands a stand for each of your up to 4 archer's party. You can bring a ground blind if you wish. There is 1 mile of Platte river bottom and about 600 acres with alfalfa and corn fields available.

Historically 140-160 whitetail bucks are what you will see.

The land is posted and monitored to prevent outside sources. There is none of the owner's families or friends hunting the ranch, just a group of 4 or less hunters. Retrieving game is the archer's responsibility by truck, just in and out. Walking the property is discouraged, the best success is to stay in a stand, there are many big bucks, but there are no dumb bucks.

Lodging is available in North Platte and the outfitter has discounted rates for his clients. You will have this information after booking.

Booking is 50% to book and the balance 30 days prior to the hunt. Turkey hunting is also available in the spring and fall and has been a 99.9% success rate, and 100% opportunity, Turkey is a 2 day, 2 turkey hunt semi guided for only \$800. Get your buck and take Tom!
